German courses for adults in Berlin

did deutsch-institut Berlin

Looking at the Berlin Wall today you can hardly guess its former meaning. Years ago the colourful painted concrete wall divided the two German states and, thus, almost all of the world. But since the Berlin Wall came down in 1989, Berlin has developed rapidly and become a true metropolis. The impressive government district with its new Reichstag dome, the many trendy boutiques, the lovely restored backyards in Prenzlauer Berg, the Holocaust Memorial, Potsdamer Platz, Museum Island ... And even at the Berlin Wall today you make friends from all over the world. Turn your language vacation into a unique experience – discover an exhilarating world-metropolis!
